The div element
<div style="background-color:pink; border:solid black;">

Lion is national wild animal of India

**The lion is the King of the Jungle because he has a different attitude.
A lion's actions reflect the way he thinks. This attitude makes all the
animal kingdom respect the lion more than any other animal.**

</div>

Peacock is national bird of India

**These tail feathers, or coverts, spread out in a distinctive train
that is more than 60 percent of the bird's total body length and boast**
